JULY - AUGUST 2011

The Chamber has been busy decorating windows in empty buildings to improve the look of our town.

## *From the Director's Desk*

The Chamber is staying busy with our Membership Dinner in June and July 3<sup>rd</sup> Celebration in July. In August we are working with the NC Rural Center to improve the look of our town. We have several empty windows that have already been decorated and we are working to get all the empty windows with a display. Please notice when you are downtown how much better it looks.

The Chamber is gearing up for our Fall Activities, Fall Festival with other activities and 5K Run. We hope to see everyone at these fall activities. Remember the Chamber is having a membership drive so if you would like to join please contact the Chamber or any Chamber Member.

Enjoy the rest of the summer and be safe.

Respectfully,

Collins Cooper
